

Protocol of Healthcare Measures for the After-School Activities

In order to guarantee the protection of both pupils and teachers during the After-School Activities hereby stand a protocol issued in respect of all healthcare measures taken against the spreading of COVID-19.

1°-Sanitary restrictions

- Only pupils currently enrolled in Lycée Français de Jérusalem are allowed to enter and participate in After-School Activities.
- All activities are to be performed in small groups with limit of 8 to 10 pupils maximum. Exception should be made only for the outdoor activities forming a group of 12 to 14 pupils maximum.
- Each activity takes place in a separate classroom to avoid contact between pupils.
- During the After-School Activities **wearing a mask that covers the nose and mouth is mandatory from CP onward** except for the infants in nursery school.
- **The pupils should assemble in front the classroom of their activity** and only enter after the permission of the teacher.
- Before entering and after leaving the activity classroom **all pupils must wash their hands** with soap and water or alternatively with hygienic alco-gel under the supervision of teacher.
- **Each teacher must wear a mask** that covers the nose and mouth.
- **All materials to be used during the activities are disinfected** by each teacher before the activity.
- **The materials that are not allowed to be disinfected are isolated** for one week.

2°-Organisation

- Members of the Association (AALFJ) must present at school during the first week to facilitate the process and guide the pupils to their classrooms. The infants in nursery school should be accompanied by teacher at all time during the academic year.
- The access of pupils parents is not allowed on the territory of the school institution for that period, hence no parents are authorized to circulate in the school yard during the After-School Activities.
- The parents are authorized to enter the school institution in order to collect their children only after 15:40h. The parents are obliged to wear a mask at the entrance and

wait for their kids at the central passageway in respect of social distancing. The teachers of After-School Activities should accompany their pupils to the central passageway.

- The parents are kindly asked to present on time to collect their children. In case of absence of parents representative the teachers guide the pupils of nursery and primary school to the day care room (provided by the school with an additional payment). No pupil is allowed to remain unsupervised in the schoolyard after the activity.

3°-Safety Precautions

- Each teacher has to be vaccinated or in possession of a sanitary pass.
- If a pupil or a teacher shows symptoms of COVID-19 such as dry cough, fever, sore throat, headache, muscle ache, respiratory problems and seek immediate medical attention please kindly inform the Association (AALFJ) by email at aalfjerusalem@gmail.com as soon as possible so all their contacts can be warned. If a COVID-19 test result positive the official sanitary restrictions must be applied. The pupil or the teacher should only resume their activities after an official medical certificate is presented to the Association (AALFJ).
- If a pupil or a teacher is in contact with a person positive in COVID-19 please kindly inform the Association (AALFJ) by email at aalfjerusalem@gmail.com and apply the official sanitary restrictions. The pupil or the teacher should only resume their activities after an official medical certificate is presented to the Association (AALFJ).
- If a pupil or a teacher enters the State of Israel from being abroad in a red or orange zone country the official sanitary restrictions must be applied before resuming activities.

All healthcare and sanitary measures are put in place to secure the accomplishment of After-School Activities and to protect the pupils and the teachers. It is a personal responsibility and awareness to follow them accurately. The Association (AALFJ) has the right to exclude a pupil signed for an activity when refuses to respect the measures despite receiving multiple warnings and there will be no refund.

Thank you for your understanding and cooperation.
