Notice:

The football training offered at the Sheikh Jarrah pitches is organised each Saturday by parents and volunteers from the main international schools in Jerusalem. We freely give our time to ensure our children can enjoy the game of football and develop their skills and confidence through sport.

We require your help to make this activity a success. Firstly, please ensure your child/children arrive on time for their class, in appropriate clothing and footwear. Please also note that while we take every care to ensure the safety of your child, we cannot be responsible should your child leave the pitch or site, without alerting a coach, or should they get injured in any way during the session. Should you leave the site during class time, please alert your child and/or the coach and be available by phone should we need to contact you. Kindly arrive on time to collect your child/children at the end of class.

Finally, we encourage sporting behaviour and do not wish to see instances of abuse or aggression toward teammates or coaches – persistent behaviour of this kind will result in appropriate sanctions.

Thank you for your support and see you on the pitch.
